MAPEH 2

I. SCOPE NOTE

The MAPEH 2 is divided into four components: Music, Arts, Physical Education and Health. The first part is all about music which includes rhythm, melody, form, timbre, dynamics, tempo and texture. The second part discusses Arts, and its various forms and elements. The third part includes thorough discussion of concepts in Physical Education and a comprehensive presentation of physical fitness activities. The last part covers an in-depth discussion of Health Education and health related practices. The spiral approach in presenting the concepts will help the students to develop health knowledge and skills for them to achieve, sustain and promote lifelong wellness.
